

JUDGING PEOPLE'S CHARACTER DEPENDING ON PHYSICAL APPEARANCE

Yorqulova Shahrizoda Ikrom qizi

Student of Samarqand State University (Kattakurgan branch)

Ushbu maqolada: *Insonning tashqi ko'inishiga qarab uning ichki dunyosini yoritishga harakat qildim. bir insonning ichki olami go'zal bo'lsa, bu uning yuziga nur ato etadi. Alloh taolo barcha insonni chiroyli siyratda yaratdi va barchaga chiroyli qalb ato etdi. Shularni inson hayoti davomida to'g'ri yo'naltira olishi, uning tarbiya bilan chambarchas bog'liqdir. Insonning ko'zlari hech qachon aldamaydi. Inson odamlar davrasida o'zini tutishi kam hal bo'lishi uning yaxshi tarbiya topganidan dalolat beradi. Yaxshi tarbiya ko'rgan insonning esa ichki olami go'zal qalbi pok bo'ladi. Har bir insonni haraktiri har xil bo'ladi.*

Annotation: *In this article It is illuminated the inner world of a person based on his external appearance. If the inner world of a person is beautiful ,it gives light to his face. Alloh Almighty created every human being with a beautiful appearance and give everyone a beautiful heart. Being able to direct these things correctly during a person is life is closely relative to his upbringing. The fact that a person behaves himself in the company of people and does not talk much indicates that he had received a good education.*

Key words: *A vocabulary of culture and Society Wikipedia, pure of heart sincere inner world choleric temperament, sanguine temperament, the melancholic, phlegmatic.*

We can determine the inner world of a person by looking at his external appearance. Because the inner world of every person is transferred to his face. That is our Lord his given light to the faces of beautiful, purse-hearted people. Let this light not fade from our faces, dear ones. People to different characters. Someone is cheerful, someone is sad and someone has an avenge men. All these things are related to his inner world and character .If a person had received a good education be reflected in his problems with people. May Alloh makes each of us among his beloved Servantes.

APPENDIX:

Education is the greatest legacy of a person to his children during his lifetime. God's Kaaba is the heart of people. God does not discriminate anyone based on their appearance. All of us are Muslims, so let's think deeply. Let's appreciate people's hearts, let's refrain from bad vices, even worldly beauty, in our own hands.

1. Choleric -CHOLERIC TEMPERAMENT-is distinguished by rapid and strong emotional excitement, stability. The emotion of people with a choleric temperament are clearly visible in their choleric are prone with this temperament are agile.

2. Sanguine temperament is characterized by a quick strong excitement of emotions, but is unstable. People with a sanguine temperament have frequent mood swings, and one mood can quickly

3.The melancholic temperament is characterized by slow but strong agitation and staidly of emotion. Melancholic tend to have a stable continuous mood, but the outward expression of their feeling is very weak.

4.Phlegmatic temperament is distinguished by a very slow, weak arousal of emotions and does not last long. People with a phlegmatic temperament are weak in outward expression of their emotions.
