**Abstract.** *The article talks about the development of Kokand applied arts and crafts in the years of independence, the organization of the international festival, and the reforms being implemented in the field.*

**Key words:** *Kokand, crafts, art, culture, international.*

The ancient and rich history of national crafts of Uzbekistan, restored in the years of independence, has been preserved to this day. Kokand applied arts are unique, especially in the years of independence, the traditions of master-apprentice schools rose to a new level. The tasks of preservation, international promotion, scientific study and transmission of Kokand applied arts and crafts to the next generation are urgent.

At the level of the state policy of the Republic of Uzbekistan, the achievements of the "Hunarmand" association in Kok during the years of independence deserve recognition. In accordance with the Decree of the President of the Republic of Uzbekistan No. PF-5841 dated October 3, 2019, a scientific-practical conference on the topic "Prospects for the development of handicrafts and folk art" is scheduled to be held in the city of Ko'kan every two years in September as part of the International Crafts and Festival.

The fact that master craftsmen, masters of folk art, specialists, honored guests, representatives of culture and art from more than 70 countries participated in the twice-held Ko'kan international crafts festival serves to introduce the industry to the world.

In it About a thousand artisans from all regions of the country will participate and demonstrate their products at the festival held in cooperation with the Ministry of Culture, the "Hunarmand" association and the Fergana regional government.

As part of the festival held every two years in Ko'kan, there will be a ceremonial procession of the participants, an exhibition and sale of products by local and foreign craftsmen, a scientific conference on the topic of "World practice in the field of preservation and development of traditional arts and crafts", a fashion show with the participation of international and Uzbek artisans-designers, folk songs, "Uzbekistan the presentation of the book-album "handicrafts" will be held.

In addition, The state museum of the history of applied arts and crafts has been established in the city of Kokand, where you can see the items and art samples created in the years of independence from the historically formed stages of the applied art of Kokand.

In Kok, special attention is paid to the preservation of the traditions of the unique schools of applied arts and national handicrafts, as well as the works of applied arts and

handicrafts, international wide promotion, scientific study and transmission to the next generation.

In the Kokand State Museum of Applied Arts and Crafts History, the history of applied arts and national crafts, as well as the rich cultural heritage of our nation, its role in the history of humanity is being truly illuminated. Organizes museum exhibitions aimed at widely promoting the achievements of our country in culture, art and other fields. There are great achievements in preserving, studying, enriching, exhibiting, introducing and promoting museum objects and museum collections, which are considered the cultural wealth of the people of Kokand and the people of our country.
